CORRESPONDENCE

Commissioner for Patents
P.O. Box 1450
Arlington, Virginia 22313-1450

Sir:

In connection with the above referenced application, I deposited a reply to the Patent and Trademark Office action of January 30, 2004 at the 34th Street General Post Office of the United States Postal Service in New York City in the drop box for parcels located in the main lobby with sufficient postage as first class mail in an envelope addressed to the Commissioner for Patents, P.O. Box 1450, Alexandria Virginia 22313-1450 on July 30, 2004, the reply including: a 112-page set of remarks with attachment of the text, *Data and Computer Communications*, by W. Stallings; and a petition to extend the time to reply by three (3) month, no amendment fee being required.

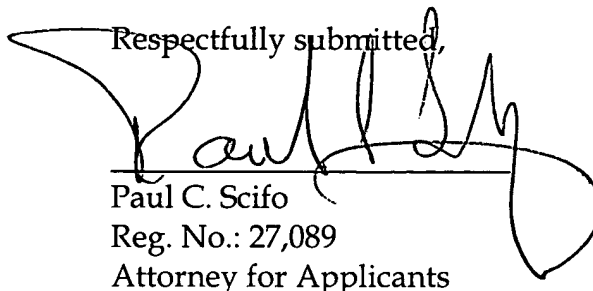

However, today that unopened envelope containing the reply was returned to me with a postal sticker notice stating "... mail, weighing 16 ounces or over, that bear stamps ... must be submitted to a retail clerk ..." a photocopy of the face of the envelop containing the reply with the proper postage and postal sticker notice affixed is attached. No such notice, however, appears on the postal drop box.

Accordingly, I am transmitting the reply in its original unopened envelop carrying the correct postage and the postal return sticker herewith, and ask that the reply be considered timely filed as of July 30, 2004.

Should there be any questions in this matter, please feel free to contact me by telephone at (516) 488-2315. Your assistance is appreciated.

Dated: August 4, 2004

Respectfully submitted,
